Yeah, yeah, yeah  
Yeah, yeah, yeah

Been floatin' around up here on cloud eleven  
I did my best to make it to twenty-seven  
Open up my eyes and I can see the glory  
Now I'm alive and I'm gonna tell the story

Now I'm a superstar in the makin'  
I ain't fuckin' around and there ain't no mistakin'  
I never ask for somethin' worth the takin'  
'Cause I'm a superstar, baby

No cryin'-ass bitchin' about my wife or girlfriend  
'Cause in my life I can't have either one  
No cryin'-ass bitchin' about my evil parents  
They did their best to raise their only son

Now I'm a superstar in the makin'  
I ain't fuckin' around and there ain't no mistakin'  
I never ask for somethin' worth the takin'  
'Cause I'm a superstar, baby

I'm on the rise, I'm feeling fine  
And I've seen it through  
I'm on the rise, I'm feeling fine  
And I've seen it

Boom  
Here come the real motherfuckers from the south

Now I'm a superstar in the makin'  
I ain't fuckin' around and there ain't no mistakin'  
I never ask for something worth the takin'  
'Cause I'm a superstar, baby

Superstar, baby  
Superstar, baby  
Superstar, baby  
Superstar, baby
