Life's a gamble and then you die,
No explanation or reasons why,
You hit the big stage up in the sky,
We'll see who burns and we'll see who flies,

Why am I here?
Lots of answers but nothings clear,
Forgotten images of what we are.

It's like a
Twister,
Spinning me around again,
Twister,
Here we go around again,
Blame it all on me

Life's a short trip on a fast train,
Put some deal with it in your veins,
Just excuses to clear the pain,
There's lots of things to numb your brain,

Why am I here?
Lots of answers but nothings clear,
Forgotten images of what we are.

It's like a
Twister,
Spinning me around again,
Twister,
Here we go around again,
Blame it all on me,
All on me,
Twister,
Spinning me around again,
Twister,
Here we go round again,
Blame it all on me,
All on me,

Life's a short trip and I'm to blame,
Too much stupid is in my veins,
Any excuse just to kill the pain,

There's too many things to numb my brain,
Numb my brain...

Twister,
Spinning me around again,
Twister,
Here we go around again,
Blame it all on me,
All on me...
Twister,
Spinning me round again,
Twister,
Here we go round again,
Blame it all on me,
All on me...
