The race is not given
To the swift nor to the strong
But to the one that endureth until the end

There will be problems and sometimes
You'll have to walk all alone
But I know things will work out
Yes, they will for the good of them
(For the good of them)
For the good of them
(For the good of them)
Who love the Lord

Eyes have not seen, no ears heard
Of the good things that the Lord has in store
For them who love Him

Sometimes you may have to cry
And sometimes you may have to walk alone
But I know, I know it will all work out for the good of
them
(For the good of them)
It will work out for the good of them
(For the good)
Who love the Lord

No matter what the problem
You can't solve them
They will come but don't worry
It will work out for the good of them
Who love the Lord

No matter what the problem
You can't solve them
They will come but don't worry
It will work out for the good of them
Who love

It will work out for the good of them
Who love
It will work out for the good of them
Who love

It will work out for the good of them
Who love the Lord

Who love the Lord
Who love the Lord
Who love the Lord
Who love the Lord
Who love the Lord
