

Salman Aditya "Adjusment Argument"

Visit "[Adjusment Argument](#)" on MotoLyrics.com

Fresh mountain air, bother by a smoke
Came from factory, that almost went broke
There is no trees now they dig for gold
Fortunate some disaster millions people
Went down killed by machine gun
Ooh what a silly world

Where is miracle.none they can't see
Where is hope. I only see light on the sea
Big tragedy
(Instrument)

Fresh mountain air, bother by a smoke
Came from factory, that almost went broke
There is no trees now they dig for gold
Fortunate some disaster millions people
Went down killed by machine gun
Ooh what a silly world

Where is miracle.none they can't see
Where is hope. I only see light on the sea
Big tragedy
