

Salman Aditya "Adjustment Argument"

Visit "[Adjustment Argument](#)" on MotoLyrics.com

Fresh mountain air , bother by a smoke
came from factory , that almost went broke
there is no trees now they dig for gold
fortunate some disaster millions people
went down killed by machine gun
ooh what a silly world

where is miracle .none they can't see
where is hope . i only see light on the sea
big tragedy
(instrument)

fresh mountain air , bother by a smoke
came from factory , that almost went broke
there is no trees now they dig for gold
fortunate some disaster millions people
went down killed by machine gun
ooh what a silly world

where is miracle .none they can't see
where is hope . i only see light on the sea
big tragedy
