Walked in a park in the middle of the night  
There is no lamp wow this is really really dark

And I can't find my lighter nor cigar  
I don't know why maybe I just quit to smokes

What can I get in here in my pocket  
I have some money but it not glow in dark

But suddenly there is a man with a knife  
Says give me your money or give me your soul

Give me your money or give me your soul  
Give me your money or give me your soul

Please don't kill me I don't have money  
Please don't kill me I really2 sorry  
Stop threaten me you are not that scary  
Grow up your beard and where is your pony

Go with a gun go with fun go with your bun do what you  
want  
Go with a son let's get drunk go make a dunk do what  
you want
