Put your ear to the ground
Can you hear the sound
Of a million feet marching to the rhythm of the drum
But I hear a differnt voice inside
Telling me to stand my ground
I've never been one to stand in line and wait for my turn

So I'm
Do better than I've ever done
Do better than I've ever done
Do better than I've ever done
Do better, do better, do better,
(Shine) do better than i've ever done
Do better than I've ever done,
(Shine) Do better than I've ever done
Do better, do better, do better,
I'm gonna shine brighter than I've ever shone
I'm gonna play harder than I've ever known
I'm gonna sing louder than I've ever sung I'm gonna do
better than I've ever done I'm gonna... shine

Put your ear to the ground
Can you hear the sound
Of a million feet marching to the rhythm of the drum
But I hear a different voice inside
Telling me to stand my ground
I've never been one to stand in line and wait for my turn

So I'm gonna
(Shine)Do better than I've ever done
Do better than I've ever done
(Shine) Do better than I've ever done
Do better, do better, do better,
I'm gonna shine brighter than I've ever shone
I'm gonna play harder than I've ever known
I'm gonna sing louder than I've ever sung I'm gonna do
better than I've ever done I'm gonna

Look at all the people looking back at me Looking at my
heroes I just can't let it be

Do better than I've ever done

Do better than I've ever done
Do better than I've ever done
(Shine)Do better than I've ever done
Do better than I've ever done
(Shine)Do better than I've ever done
Do better, do better, do better,

I'm gonna shine brighter than I've ever shone
I'm gonna play harder than I've ever known
I'm gonna sing louder than I've ever sung
I'm gonna do better than I've ever done I'm gonna
