"For The Love Of It"

Simplification of skank beat
Free stylin' ourselves while we jam
Stripping it back to the roots, version
Nothing else treats me like you do

We move to the music
The pushing and pulling of skank
Feeling the drum and bass
That's why we do what we do

Unite the people we are the land
Re-light the fires we burn again
Stripping it back to the roots, version
Nothing else takes me like you do

We move to the music
The pushing and pulling of skank
Feeling the drum and bass
That's why we do what we do

Version, we do it for the love of it (x4)
