I won't settle for second best
I won't take nothing no less
And you, (girl it's got to be you)

I've been away for six months long
And today I'm coming home to you
(girl it's got to be you)

Chorus:
And every time I see your grace
A warm smile spreads across my face
And then you look at me and say
Oh I love your ways

I first saw you across the way
Now I think about you night and day
(Girl it's got to be you)

I love the way you let me go
To see the world and bring it home to you
(Girl it's got to be you)

Chorus:
And every time I see your grace
A warm smile spreads across my face
And then you look at me and say
Oh I love your ways
Love your ways, love your ways
She said I love your ways, love you ways (x4)
Love your ways

Repeat chorus:
And every time I see your grace
A warm smile spreads across my face
And then you look at me and say
Oh I love your ways
She said I love your ways, love you ways (x4)
Love your ways

Rap:
Aotearoa...etc...
