And now this is
The new song of salon victoria
Nasty uncle hippie

yo no voy a caer
en tus negros ojos
yo no voy a cargar
todos tus sueÃ±os rotos
Â¡Â¡yo no voy a caer!!
llÃ©vame pa' tu casita camarada burguesita
yo no quiero trabajar
yo me muero en tu playita atascada burguesita
yo no quiero trabajar.
Â¡yo no voy a caer!
You better change
your hippie ways
hippie is defeated
your love is dead
hippie is defeated
your peace is dead
nasty!! uncle!! hippie!!
