There's a lot of ways of sayin what I want to say to you.
There's songs and poems and promises and dreams
that might come true.

But I wont talk of starry skies or moonlight on the
ground.

Ill come right out and tell you I'd just love to lay you
down.

Lay you down and softly whisper pretty love words in
your ear.

Lay you down and tell you all the things a woman loves
to hear.

Ill let you know how much it means just having you
around:

Oh darlin, how I'd love to lay you down.

There's so many ways your sweet loves made this
house into a home.

Youve got a way of doin little things that turn me on.
Like standin in the kitchen in your faded cotton gown,
With your hair all up in curlers, I still love to lay you
down.

Lay you down and softly whisper pretty love words in
your ear.

Lay you down and tell you all the things a woman loves
to hear.

Ill let you know how much it means just having you
around:

Oh darlin, how I'd love to lay you down.

When a whole lot of Decembers are showin in your
face,

Your auburn hair has faded and silver takes it's place.
You'll be just as lovely and I'll still be around,
And if I can I know that I'd still love to lay you down.

Lay you down and softly whisper pretty love words in
your ear.

Lay you down and tell you all the things a woman loves
to hear.

Ill let you know how much it means just having you
around:

Oh darlin, how I'd love to lay you down.

Lay you down and softly whisper pretty love words in
your ear.

Lay you down and tell you all the things my woman

loves to hear.
Ill let you know how much it means just having you
around:
Oh darlin, how I'd love to lay you down.
Lay you down and softly whisper pretty love words in
your ear.
Lay you down
