Oh, the sun's gonna shine in my life once more  
Love's gonna live here again  
Things are gonna be the way they were before  
Love's gonna live here again

Love's gonna live here, Love's gonna live here  
Love's gonna live here again  
No more loneliness, only happiness  
Love's gonna live here again

I hear bells are ringing, I hear birds are singing  
Love's gonna live here again  
I hear bees are humming and I know the days are  
coming  
Love's gonna live here again

Love's gonna live here, Love's gonna live here  
Love's gonna live here again  
No more loneliness, only happiness  
Love's gonna live here again

Love's gonna live here again
