Six foot six he stood on the ground  
Weighed two hundred and thirty five pounds  
But I saw that giant of a man brought down to his knees  
by love  
He was the kind of man that would gamble on luck  
Look you in the eye and never back up  
But I saw him cryin' like a little whipped pup because of  
love

You can't see it with your eyes hold it in your hand  
But like the wind that covers our land  
Strong enough to rule the heart of any man this thing  
called love  
It can lift you up it can let you down take your world turn  
it all around  
Ever since time nothing's ever been found stronger  
than love  
[ guitar ]  
Most men are like me they struggle in doubt  
Trouble their minds day in and day out  
Too busy with livin' to worry about a thing called love  
But when I see a mother's tenderness  
As she holds her young close to her brest  
I thank God that this world's been blessed with a word  
called love

You can't see it with your eyes...  
Ever since time nothing's ever been found stronger  
than love
