All I ever wanted
Was to be at your service
But now I'm alone
Cause you were here and you're gone

And all I ever wanted
Was to feel I had a purpose
But now that's all gone

But if you could give me
Just one love
Just one life
Just one chance to believe in mine
Just one love
Just one life
You'd bleed for me
And I didn't dare to notice you
Now I'm stuck
Out on a line.
Bleed for me
I didn't care to be with you
Now you're stuck in my mind

All I ever wanted
Was to be what you needed
Cause something so strong
It could never be wrong.
And all I can promise
Is to say what I'm feeling
We've made it so long

But if you could give me
Just one love
Just one life
Just one chance to believe in mine
Just one love
Just one life
You'd bleed for me
And I didn't dare to notice you
Now I'm stuck
Out on a line.
You'd bleed for me

I didn't care to be with you
Now you're stuck in my mind

Just one love in my life...
You'd bleed for me
And I didn't dare to notice you
Now I'm stuck
Out on a line.
Bleed for me
I didn't care to be with you
Now you're stuck in my mind
