Starting to feel like
A happy ending
Tough but undemanding
Understanding
Looking to see why
It gets me so intensely
Matters immensely
That you can feel me

(Chorus)
Cause I only
Only have eyes
Only have eyes for you
Girl I only
Only have eyes for you
Ain't no doubt
Ain't no doubt about it

I didn't realize
Midnight revelation
Livin' in my world
Got to be more patient
Saw some love light
Lit someone like you
Slowly I knew
How good it was to see through

Repeat Chorus

I want what you want
I know what you know
I live what you live
I realize
I found what I lost
And paid what it cost
Can you read all those thoughts
In my eyes

Cause I only
Girl I only
Only have eyes for you

Ain't no doubt about
Ain't no doubt about it
