Just why do I want you, baby?
Anyone but a fool would let it be
Go on, anywhere you take me
I don't want to know what's pulling me

If I fall so deep with my eyes so wide
But then I hope that feeling isn't only mine

Fools rush in where the wise don't go
Fools rush in and I'm a fool for love, baby
Fools rush in but the wise don't know
Fools rush in, rush in, rush in, rush in

Safe advice, I can't let it stop me
Love don't wanna know the reason why

And if we fall so deep with our eyes so wide
But then I know the feeling isn't only mine

Fools rush in where the wise don't go
Fools rush in and I'm a fool for love, love
Fools rush in but the wise don't know
Fools rush in, rush in, rush in, rush in

And if we fall so deep with our eyes so wide
But then I know the feeling isn't only mine

Fools rush in where the wise don't go
Fools rush in, yeah, yeah

Fools rush in where the wise don't go
Fools rush in and I'm a fool for love, baby
Fools rush in but the wise don't know
Fools rush in, rush in, rush in, rush in, rush in

Oh, and I'm a fool for love, baby
Rush in, rush in, rush in
