My friends wonder why I call you all the time;  
What can I say?  
I don't feel the need to give such secrets away.  
You think maybe I need help;  
No  
I know I'm right  
all.right.  
I'm just better of not listening to friends' advice.  
When they insist on knowing my bliss  
I tell them this:  
When they want to know what the reason is

I only smile when I lie  
then I tell them why:

Because your kiss  
your kiss is on my list

Because your kiss  
your kiss is on my list

Because your kiss. your kiss is on my list  
Of the best things in life.  
Because your kiss  
your kiss is on my list

Because your kiss  
your kiss I can't resist

Because your kiss  
Is what I miss when I turn out the light.

I go crazy wondering what there is to really see.  
Did the night just take up your time  
'cause it means more to me?  
Sometimes I forget what I'm doing

I don't forget what I want  
I want

Regret what I've done  
regret you? I couldn't Qo on.

But if you insist on I@nowing my bliss  
I'll tell you this:  
If you want to know what the reason is

I'll only smile when I lie  
then I'll tell you why:

Because your kiss  
your kiss is on my list

Because your kiss  
your kiss I can't resist  
...

Because your kiss  
your kiss is on my list

Because your kiss  
your kiss is on my list  
...
