It seems I got left at the station
I didn't have change for the train
You caught the express and left me there
Boots getting wet in the rain
I need to explain how I feel for you
'Cause I didn't tell you in time
There must be a way for me to have my say
Shout out my love down the line

Can I get a message to ya
Got to send a message to ya
Got to get a message to ya
Hope you can hear it
Hope that you hear it
Hope you can hear it
Right now
Hope you can hear it
Hope you can hear it
Hope you can hear it
Right now

I've treated you disgracefully
I'll fix all the mess I've made
I'll try reassuring your worried mind
If you'll just let me explain

Can I get a message to ya
Got to send a message to ya
Got to get a message to ya
Hope you can hear it
Hope you can hear it
Hope you can hear it
Right now
Hope you can hear it
Hope you can hear it
Hope you can hear it
Right now

Hope that you hear it
Hope you can hear it
Right now

Right now

Don't wanna break it
Break it
Break the chain

Don't wanna break it
Break it
Break the chain

Can I get a message to ya
Send a message to ya
Got to get a message to ya
Hope that you hear it
Hope that you hear it
Right now
Hope that you hear it
Hope that you hear it
Right now
