Daryl Hall
"Problem With You"

I've got a problem with you
I've got a problem with your mind
I've got a problem with the way you treat me
So unkind
I worry every time I punch your number
Am I on top or am I going under
Oh what can I do
I got a problem babe
I got a problem babe

I've got a problem with you
And you know that I been tryin'
I give you 110 percent
And 10% of that's cryin'
Your mood is changing just like a mountain sky
And we're no better at the sea line
Oh what can I do
I got a problem babe
I got a problem babe

Here we go

Would I be wrong
If I just walked on
Would it make me feel right
Or feel alone and low down

I know I've got a problem with you
But you don't hear what I'm saying
So I guess it's time to think it over
Why should I stay?
A part of me believes that it's so right
The other side is seeing stormy nights
Oh what can I do
Oh what can I do
Oh what can I do
I got a problem babe

Something I can't fix girl
I don't understand
I got a problem babe

I can't take the heat
But your force is so sweet
Oh, problem babe
I got a problem babe
