Say it
oh
say it isn't so
say it
oh
say it isn't so.
Say it isn't so painful to tell me that you're dissatisfied.
The last time I asked you I really got a lame excuse
I know that you lied.
Now wicked things can happen
you see 'em goin' down in war

But when you play in a quiet way that bites it even
more.

Say it - tell me what you want
yeah
I'll do it
baby
I promise right now.
Say it - who propped you up when you were stopped low
motivation
Had you on the ground.
I know your first reaction you slide away
hideaway
goodbye

But if there's a doubt, baby,
I can give out a thousand reasons
Why you have to.

Say it isn't so
it isn't so
I say it isn't so
say it
I say it isn't so...

Say it - we like to be the strangers at the party
two rebels in a shell.
Say it - you like to move with the best of them
you know we move so well
Don't need someone to lean on

I know that there's an open door

But if I'm faced with bein' replaced I want you even
more.

So baby

say it isn't so

it isn't so

oh

I say it isn't so

it isn't so

...

Oh

say it isn't so

say it

say it isn't so

say it

I say it isn't so

...

Why you gonna go

do you have to say you wanna go?

Oh

oh

baby

say it isn't

say it isn't

say it isn't so

say it
