How many hearts can have everything  
Never ever found the one and all the fire it brings  
I wanna try more now, than I dared before  
I've got to know what passion is  
Girl I've got to find the love  
Day to day nothin' there, I had to let go  
Heard a call that I resisted, 'cos it had no soul  
When you get and never give it  
It's so cold  
You're something else, oh I know

I've got this wildfire that only grows  
Every day it's in my soul  
This wildfire, it's burnin' deep  
It's burnin' deep, burnin' burnin'  
Wildfire, it didn't take long  
All my life is not too long  
This wildfire is burnin' bright  
Burnin' bright, burnin', burnin'

All, all around me  
There's a fire that's catching on  
Make a burnin' field of dreams  
Little spark of light, touched and grew  
Fed by all the love  
That I'm feeling here with you  
No one can believe it, but they can see  
Since we've been together  
You've made a change in me  
Bein' alone is so wrong, it's so so cold  
When somethin's right, ooh I know

I've got this wildfire that only grows  
Every day it's in my soul  
This wildfire, it's burnin' deep  
It's burnin' deep, burnin' burnin'  
Wildfire, it didn't take long  
All my life is not too long  
This wildfire is burning bright  
Burnin' bright, burnin', burnin'

We gotta live to give, live and let love

Be here in the moment with the  
One I want  
'Cos bein' alone is so wrong  
It's so cold  
When somethin's right, ooh I know  
Ooh I know

I've got this wildfire that only grows  
Every day it's in my soul  
This wildfire, it's burnin' deep  
It's burnin' deep, burnin' burnin'  
Wildfire, it didn't take long  
All my life is not too long  
This wildfire is burning bright  
Burnin' bright, burnin', burnin'

It's in my thoughts, everyday  
And I got this wildfire, burnin' on  
Not too hard to carry on  
Can't leave it, can't believe it
