This is for the people holding hands  
This is for the ones with broken hearts

What I'm trying to explain  
Is in our lives there'll come a day  
When we'll find those feelings lost in the dark

It's the fallin', the flyin'  
The losin', the tryin'  
It's that crazy little thing that we call love

When it comes to you  
If I had to tell the truth  
'Bout the mixed up thoughts my mind's been thinkin' of

It's like the sunshine  
And it's like the rain  
You bring me pleasure and you bring me pain  
I'm in over my head  
Got you under my skin  
Ain't love somethin'

Cheer up my little buttercup  
Your eyes are filled with reasons not to stay  
Let me say this once again  
Not as a poet, as your friend  
The things you're thinking right now  
I think every day

It's like the sunshine  
It's like the rain  
You bring me pleasure and you bring me pain  
I'm in over my head  
Got you under my skin  
Ain't love somethin'

It's like the sunshine  
And it's like the rain  
You bring me pleasure and you sure bring me pain  
I'm in over my head  
Got you under my skin  
Ain't love somethin'

I'm in over my head  
Got you under my skin  
Ain't love somethin'
