Please come back another day (sold out)
Shit homie can I get some room please
Puttin brown things in the air
Sammy Drew Brees
Used to be a hyper kid
Then I went and blew trees
Never been the same since
You in with some new knees
I'm a devil, I'm far from a saint
But I turn your dame till she got rug burn on both knees
Catch me in a polo and some old sneaks
Eyes black and red got me feeling like I'm too breez-ay
But homie don't think Carolina
I'm bean town to the fullest
You need a reminda?
Sub shots spit a flow you know I'm a grinda
Focused on the gold
Helmets of the 49ers
Oh oh

And you could take all that (all that)
Said you could take all that (all that)
Skee beats
DJ cash
