Come on

You ever stare at the sky?  
Believe your dreams are a reach  
But every time that you try  
Can't seem to land on your feet  
Well baby, think that we gon' be OK  
We'll be Okayy  
And even when the stress comes pourin down (pourin  
down)  
I'm still right here girl  
So no need to fear girl (fear girl)  
Just know we gonna be OK  
We'll be Okayy

Yeah, I feel like fuckin when that beat drops  
Bass up through her skirt she want it worse than when  
she first saw  
Me in the click  
Come through  
All days  
Crisp jeans  
What's new  
Are you, down to roll  
Girl let me know  
Yeah, and it's cool but I still got class  
Can't go in the clubs cuz everybody asks  
I don't need no bottle I'm just tryin to get smashed  
Hit your table get off of the ass  
That that that you was gon' hit  
To bad the plan plan the plan gon' switch  
What goes around comes around and shit  
It's hittin you hard aint Karma a bitch

You ever stare at the sky?  
Believe your dreams are a reach

But every time that you try  
Can't seem to land on your feet  
Well baby, think that we gon' be OK  
We'll be Okayy  
And even when the stress comes pourin down (pourin  
down)  
I'm still right here girl (here girl)  
So no need to fear girl (fear girl)  
Just know we gonna be OK  
We'll be Okayy (okayy)

Yeah can't stop, wont stop  
Got 10 birds all wanna go talk  
Quote, unquote no prob  
Got enough damn rooms for the whole block  
And I drop those drums  
Vision came through with a god damn jump  
Off to the races my beats go dumb  
Sad face music you know yall want (yeah)  
Come roll wit me mama  
Or we can go hard or chill smoke ganja  
You being so bad is making things harder  
But there's others on deck so come and get with  
connor  
Road trips to parties on yachts kid  
No time to stop, I'm no stoppage  
And the end of the day if I stop  
I'll tell you how the view from the top is

You ever stare at the sky?  
Believe your dreams are a reach  
But every time that you try  
Can't seem to land on your feet  
Well baby, think that we gon' be OK  
We'll be Okayy  
And even when the stress comes pourin down (pourin  
down)  
I'm still right here girl (here girl)  
So no need to fear girl (fear girl)  
Just know we gonna be OK  
We'll be Okayy (kayy)  
You ever stare at the sky?  
Believe your dreams are a reach  
But every time that you try  
Can't seem to land on your feet  
Well baby, think that we gon' be OK  
We'll be Okayy  
And even when the stress comes pourin down (pourin  
down)  
I'm still right here girl (here girl)  
So no need to fear girl (fear girl)

Just know we gonna be OK  
We'll be Okayy (okayy)

Oh yeah  
Vision I see you  
And we on  
Oh man
