Yeah, new shit same bathroom all my niggas blowin
bassoons.

I dont even smoke and that's cool,
cause im takin straight shots harpoon.
Ragin, chyea im amazin heavy chicks on me asian,
caucasian. Lights all on me feelin like im raving,
chains all on me feelin like im slaving.
Drinking from a big glass call it d-cup,
go and take a sip and let it creep up.
Me and Sammy on the tour bus feet up.
Its like girls go wild when they see us.
Im dark night in a black coupe back at it,
post up and i lay like cravmatic.
Party all night thats a bad habit,
white girls dissapear with me black magic.

Im Ragin x2

Throw your hands up one time if you faded,
throw your hands up one time if you wasted,
throw your hands up two times if you ragin,
throw your hands up two times if you ragin.

Lets go. Tour bus rolled through bad news we just
smokin
on some reefer, taboo. Twenty cuties down to get it
in bag room all dinner suck each one of us vacuums.
Im ragin bitch im amazin, smokin on that purple feelin
like a raven. Cougars all on me feelin like im asian,
I run the whole country feelin like im Reagen.
And my girl got ass on d-cups,
straight A's in the face no C plus.
Last night we on stage you was kicked off,
jager shots to the face no chaser.
Dark liquor in a green room gettin faded party all
night long so fuckin wasted 23 years young feelin like
i made it, me and B on top im graded. Bitch.

Im Ragin x2

Throw your hands up one time if you faded,
throw your hands up one time if you wasted,
throw your hands up two times if you ragin,

throw your hands up two times if you ragin.

Ok cool back at it. South beach flow hit em with the
heat, young dealin hit him with the beat.
Ya'lls just stupid i hit em with the leash girls try
and bring me back like 'get him to the greek'.
Kid maejor's unique, party like a white boy drink like
a jeep. Flow on retarded style on ridiculous these
girls think my music is the sickest shieet!
Say stay flow hit em with the magic all day i dream
about spittin classic. Party hard whole club doin

Im Ragin x2

Throw your hands up one time if you faded,
