(Chorus x2)

Come down off this
High that I'm on it's
Nothing but the best feelin'
Now that I'm accomplished
I'm doing me, I'm just livin' the dream
I'm just living the dream

(Verse1)

Wizzy F. no GPS
Slow down girl, baby steps
Crawlin' to the stage and 80's babies
Always looking fresh
And know I go, go harder than you know
So at the end of the road, yup it's really not a contest

Sippin' on red wine Veuve Cliquot
Presidential suite I got my girls to the room we go
Life went from movin' slow
To cameras filmin' my moves at the bars of these
studios (hoe)

(Chorus x2)

Will I ever come down off this
High that I'm on it's
Nothing but the best feelin'
Now that I'm accomplished
I'm doin' me, I'm just livin' the dream
I'm just livin' the dream

(Verse 2)

I took a chance I wasn't given
Hated on before they listened
'Cross the game, no religion
Radio: nope still ain't spillin'
But every bill I'm spendin'
Has a means to which it's endin'
Oh they think this man's pretendin'
Bad news - Sam's relentless

And when that bass hits

Bass heads get face lifts
I could care less
'bout being hype to gettin famous
I go, go, go, go hard on every joint though
Harder than an artist I look up to Wizzy B. bro

(Chorus x2)

Will I ever come down off this
High that I'm on it's
Nothing but the best feeling
Now that I'm accomplished
I'm doin' me, I'm just livin' the dream
I'm just livin' the dream
