If you could see me now
If you could see me now
If you could see me now
If you could see me now
Yeah uh

If you could see me now
I'm drunk off love shit
Just got on the flight
I'm already feelin love sick
Nah, no bullshit baby no corny rhymes
I aint callin textin you I love you like 40 times
You know I do
And if otherwise
Wont take advantage cuz I know you catch a ton of
eyes
Stayin patient when I'm visiting the other side
Up in vegas partyin I still call at night
Yeah, but you probably wont believe it
Cuz all the dreams I have, my baby I'm achievin
And music's like breathin
So take a fresh breath
On top like sex yeah the kid is up next
Cuz baby I'm infatuated by the way that you fascinate
me
So crazy
Got me on point now I have to make it
Give it to me imma gladley take it

Yeah

(Chorus)

If you could see me now
I'm drivin hard no dropsteps needed
If you could see me now
I'm Lovin life but they say I'm concieted
If you could see me now
I told em once but they didn't believe it
No they didn't believe it no they didn't believe it
If you could see me now
I'm drivin hard no dropsteps needed
If you could see me now

I'm Lovin life but they say I'm concieted
If you could see me now
I told em once but they didn't believe it
No they didn't believe it no they didn't believe it
If you could see me now
I remember when it was just me and you (you)
I remember when it was just me and you (you)
I remember when it was just me and you
Just just me and you just just me and you

If you could see me now
Poolside, with mommy on the right
She drove down from the city cuz she doesn't like to fly
And anything she wants
She knows that I'm her guy
I'm Boston's own boy
(?) and reply
The sex games' proper
Sometimes we just lie
To think about the fact that we just happened to collide
Aint got too many feelings in the air open that I
Could ever fuck another girl or do one on the side
I can't
Call it bein locked down whipped
But I aint got a problem bein locked by my chick
So text all you want if you feenin for a fix
Just the thought of losin your lovin is worse than the
knicks
New York Chillin
Can't compare to the palm tree lifestlye we see
Or we be livin
Nightlights feelin the fresh glows and my bros
And you know we get it

(Chorus)

If you could see me now
I'm drivin hard no dropsteps needed
If you could see me now
I'm Lovin life but they say I'm concieted
If you could see me now
I told em once but they didn't believe it
No they didn't believe it no they didn't believe it
If you could see me now
I'm drivin hard no dropsteps needed
If you could see me now
I'm Lovin life but they say I'm concieted
If you could see me now
I told em once but they didn't believe it
No they didn't believe it no they didn't believe it
If you could see me now
I remember when it was just me and you (you)

I remember when it was just me and you (you)
I remember when it was just me and you
Just just me and you just just me and you
I remember when it was just me and you (you)
I remember when it was just me and you (you)
I remember when it was just me and you
Just just me and you just just me and you
