I don't mind baby,  
If you're helpless, or you're wealthless, only human,  
If your love is, only something that you bought.

Throw myself in, to the deep end  
Cause you're weepin, only human  
If my word is really something you want, oh,

And oh, oh, pick yourself up off the floor  
Put that drink down on the bar  
We won't be here for long  
And oh, oh, pick yourself up off the floor  
Put that drink down on the bar  
We won't be here for long;  
I know a better place.

For every reason  
That you're given  
Just excuses only human  
You ain't foolin anyone come through that door.

Take a minute, if you need it,  
And stop breathing; only human  
Let us see that hopeful smile that you once wore.

And oh, oh, pick yourself up off the floor,  
Put that drink down on the bar,  
We won't be here for long.  
And oh, oh, pick yourself up off the floor,  
Put that drink down on the bar,  
We won't be here for long;  
I know a better place.

And oh, oh, pick yourself up off the floor,  
Put that drink down on the bar,  
We won't be here for long;  
I know a better place.

I don't mind baby if you're helpless or you're  
wealthless,  
Only human

Let us see that hopeful smile that you once wore.
