Hold on to me when you're fallin'
When you're fallin' down to the ground
Hold on to me when you feel like
When you feel like you can't go on

Don't be afraid when they refuse you
Playin' with a broken heart, this ain't a game
Don't be ashamed to reach out and touch my helping
hand
It's so easy to be, to be free

All you got to do is hold on to me when you're fallin'
Hold on to me when you're fallin' down
Hold on to me when you're fallin' down to the ground

Hold on to me when you're fallin'
Hold on to me when you're fallin'
Hold on to me when you're fallin'

Reach out to me when you're cryin'
When you're cryin' out in the rain
Reach out to me when you feel like
When you feel like you can't stand the pain

Don't be ashamed to hold your head up
Walking through this crowded world ain't no big thing
Don't be afraid to reach out and touch the friendly
skies
It's so easy to do, take your cue

All you got to do is hold on to me when you're fallin'
Hold on to me when you're fallin' down
Hold on to me when you're fallin' down to the ground

Hold on to me when you're fallin'
Hold on to me when you're fallin' down
Hold on to me when you're fallin' down to the ground

Hold on to me when you're fallin'
Hold on to me when you're fallin'
Hold on to me when you're fallin'

Hold on to me when you're fallin'
Hold on to me when you're fallin'
Hold on to me when you're fallin'
Hold on to me when you're fallin'
