(Oh don't you know)  
that's the sound of the men  
working on the chain gang  
(Oh don't you know)  
that's the sound of the men  
working on the chain gang

All day long they work so hard  
till the sun's comin' down  
workin on the highways and biways  
and wearin a frown

I hear them moanin' their lives away  
and then you hear somebody say

(chorus)

Hear someone sayin'  
whoa I work, work so hard  
See my woman, who I love so dear,  
but I, I've got to work right here.

(chorus)

My, my, my, my, I work so hard  
Give me water, I'm thirsty  
Whoa I, I work so hard

You hear them moanin' their lives away,  
and then you hear somebody say

(chorus)

(chorus)
