Sadness had been closed as my next of kin  
Then happy came one day, chased my blues away  
My life begin when happy smile  
Sweet, like candy to a child  
Stay here and love me just a while  
Let sadness see what happy does  
Let happy be where sadness was

Happy, that's you  
You made my life brand new  
Lost as a little lam was I till you came in  
My life begin when happy smile  
Sweet, like candy to a child  
Stay here and love me just a while  
Let sadness see what happy does  
Let happy be where sadness was  
(Till now)

Where have I been?  
What lifetime was I in?  
Suspended between time and space  
Lonely until happy came smiling up at me  
Sadness had no choice but to flee  
I said a prayer so silently  
Let sadness see what happy does  
Let happy be where sadness was till now
