You left me for a new love
You found out
It wasn't a true love

Now that he's gone
Let's go steady one more time

Please don't cry
You've got to be strong, dear
I know, I know, I know, I know
I know he was wrong, dear

But now that he's gone
Let's go steady one more time

I know he was wrong
To come to the dance
With another girl
The way that he did

I knew he was wrong
When he took your love from me
After all, he was once
My best friend

That's all in the past
Oh, let's forget him
He'll never hurt you anymore
I won't let him

Now that he's gone
Let's go steady one more time

Yes, he was wrong
To come to the dance
With another girl
The way that he did

I knew he was wrong
When he took your love from me
After all, he was once

My best friend

But that's all in the past
Oh, let's forget him
He'll never hurt you anymore
I won't let him

Now that he's gone
Let's go steady one more time
