If I go a million miles away
I'd write a letter each and everyday
'cause honey nothing, nothing, nothing can ever
change this love I have for you

mmmmm, make me weak
and you can make me cry
see me coming
and you can pass me by
but I know nothing, nothing, nothing can ever
change this love I have for you

you're the apple of my eye, you're cherry pie
oh you're cake and ice cream
you're sugar and spice, everything nice
you're the girl of my, my, my, my, dreams

oooooo, if you wanted to leave me and roam
when you got back, I'd just say welcome home
'cause honey nothing, nothing, nothing can ever
change this love I have for you

(Musical Interlude)

oooooooo, I know that nothing, nothing, nothing can
ever
change this love I have for you. (end)
