La, la, la  
La, la, la  
Lo, la, la, la  
I'm so lonely tonight

If I could only hold you once more  
If I could only kiss you once more  
If I could only see you one more time  
One more time

Things wouldn't be the way they are now  
I'd make you see I loved you somehow  
If I could only see you one more time

So please say you'll let me see you  
Five minutes all alone  
It's so hard to make you understand  
Talking on the phone

I'd like you to know, I know, I was wrong  
I'd like you to know my love is still strong  
Jee, but I'd like to see you one more time

La, la, la  
La, la, la  
I'm so lonely tonight
