Ah-ooo, ah-ooo, ah-ooo)
I'm in a sad mood tonight, oh I'm in a sad mood
I'm in a sad mood tonight
Oh my baby done gone away & left me
My baby done gone, yeah
My baby done gone away & left me
My baby done gone

I don't know why she left me
I don't know where she's gone
But all I know is I'll never be happy
Until my baby comes back home, yeah because...

I'm in a sad mood tonight
Oh my baby done gone away & left me
My baby done gone

Oh I don't know why she left me
But there's one thing I know
I know that if my baby tells me she'll come back home
I'll never never do it no more, yeah because...

I'm in a sad mood tonight, oh I'm in a sad mood
I'm in a sad mood tonight
Oh my baby done gone away & left me
My baby done gone, yeah
My baby done gone away & left me
My baby done gone

I'm in a sad mood tonight
Oh I'm in a sad mood tonight
She got me in a sad mood tonight
...& fade
