Wo oh oh oh little girl, how happy I would be
If some miracle could win your love for me

CHORUS:

Wo oh oh oh little girl, how happy I would be
If some miracle could win your love for me
Win your love for me (x2)
Wo oh oh oh wo win your love for me

Many's the day I've longed for you, to hold you in my
arms
Many's the night I've cried for you, for your many
charms
If you'd only come to me, my heart wouldn't be full of
sorrow
But now all I can do is hope & pray that you'll come to
me tomorrow

(chorus)

To me you are so beautiful, beautiful as a song
& whenever I look at you, my heart beat like a tom-tom
If you'd only come to me, this torch I wouldn't have to
carry
& if everything goes right, to the church we will go to
marry

(chorus, then fade)
