Try to ignore the twisted side
We kiss and we hiss at the same time
Don't you know some things just don't blow away

You've been this way before
But the cut's just seem to hurt me more
Could be a reason for the difference

You've been practicing
The art of heartbreak
Practicing
The art of heartbreak

Anticipating what she's aching for
I'm being an edgy, leave her wanting more
Anyone might think, we'd rather be alone

Yeah, she's been cut before
By sharp things I've been saying so long
I can't believe the way she takes it

I've been practicing
The art of heartbreak
Ooh, practicing
The art of heartbreak

I've been practicing
The art of heartbreak
Ooh, practicing
The art of heartbreak

Why do we make it hard
Been hitting back and forth for so long
What are we aiming at, there's no score in love

I bet a million bucks she knows
But won't let up on me, so
I've just decided to stop

Ooh, practicing
The art of heartbreak
We've been practicing

The art of heartbreak

The art of heartbreak
We've been practicing
The art of heartbreak
Ooh, practicing
The art of heartbreak
I've been practicing
Heartbreak

What are we aiming for?
The art of heartbreak
Seems like that's we're aiming for
Heartbreak

What are we aiming for?
The art of heartbreak
We've been practicing
Heartbreak

The art of heartbreak
Heartbreak
The art of heartbreak
Heartbreak

We've been practicing
The art of heartbreak
We've been practicing
The art of heartbreak
