I got a good education now and I'm ready for the world
yeah
We've been going together gonna last forever
And it ain't never gonna change
I'm a real hard charger yeah, everybody's gonna listen
to me
We're a winning combination, that nobody's gonna
rearrange

Big kids breakin' up 'cause they're lookin' for fun
Everybody's leavin', boy-girl on the run
My situation's static, there's no reason to fear
It's too calm around me and it can't happen here

Big kids, think they know it all
Big kids, think they've got the world up against the wall
All the grown-ups show me that they're only big kids in
disguise
Who do you think your leaders are? big kids, big kids
Who do you think your heroes are? big kids
I may never reach maturity but, baby, I'm gonna try, I'm
gonna try

Big kids breakin' up 'cause they're lookin' for fun
Everybody's leavin', boy-girl on the run
My situation's static, there's no reason to fear
It's too calm around me and it can't happen here, big
kids

Big kids, big kids
Big kids, big kids

Big kids breakin' up 'cause they're lookin' for fun
Everybody's leavin', boy-girl on the run
My situation's static, there's no reason to fear
It's too calm around me and it can't happen here

Big kids breakin' up 'cause they're lookin' for fun
Everybody's leavin', boy-girl on the run
My situation's static, there's no reason to fear
It's too calm around me and it can't happen here

Big kids breakin' up 'cause they're lookin' for fun, oh
big kid
'Cause my situation's static, there's no reason to fear
It's too calm around me and it can't happen here

Big kids breakin' up 'cause they're lookin' for fun
And everybody's leavin', boy-girl on the run
My situation's static, there's no reason to fear
It's too calm around me

Big kids breakin' up 'cause they're lookin' for fun
Everybody's leavin', boy-girl on the run
My situation's static, there's no reason to fear
It's too calm around me and it can't happen here
