D-day (3x)

3, 2, 1 D-Day just begun

D-day the common dreary Felt the power of the rhymin theory

Settin the pace with the league of mines

Selected rhymes one of a kind

This you woulda thought to long

Settle son fromt he words of tongue

I folded had the people craven

Ain't no believen ain't no mistakin

Cuz the D to the l-r-y-i-c-a-l Pump the Project as if you couldn't tell

But now you know, comprehend what you mean

Addicted to the noise as if you were a feind

But you could care less as long as if feels good

Now I'm glad thats understood

Point out this drug is for instance of mater of material

Thats the substance addicted to your brain

There will remain a part of you drivin you insane

Like crack, for those of you that can't deal with it

Step back,

For those who want a real hit Give me a clap,

and I'll feed you the remedy Kill your hunger,

vital to your remedy

Heave these words that I say

Due to the fact it's D-Day

3,2,1 D-Day just begun

A glare is puttin you under

Thinkin who it is, no need to wonder

Cuz you got backed in the dead end

So you don't play pretend or I'll do it again

And if your lookin for trouble you can be there are people

I'll have you done like a little kid on a see-saw

You bet your ass if you wanna come my way

If you go today tomorrow you can find me

Coolin out, in my domain

Doin my best to obtain

A train of thought so you can be tough
A lyrical incline so make sure it's caught
So make you stand and don't sit down
And on your face is a frown
Not a frown of sadness but a frown of madness
You got played talkin like your the baddest
Bitch I don't really talk unless its true
But you been laughin your jaws and now you'll lose
You try to burn with a match that ain't lit
I ain't down with that bull shit
Heave these words that I say
Due to the fact its D-Day
Now listen to my rhyme give it a chance
Cuz to your brain my rhyme does inhance
Think what you wanna say that don't mean shit to me
I'm not the one who's livin in misery
It's you not me you see
Imagin on what you claim to be
Be yourself thats the way to act
Learnin this rap, a natural fact
Hear these words that I say
Due to the fact it's D-Day
3,2,1 D-Day's DONE
