I would fly ten thousand miles in the pouring rain
Just to see your face
I'd bare my soul to a total stranger
Just to say your name
And I'm not ashamed
Just to love you into every morning
I would change my name
And run away

I won't do it for money, I won't do it for pride
I won't do it to please somebody else
If it don't feel right
But I'll do it for you and at least I'll try
I don't need any other reason
If I feel it deep inside
I'll do it for love
Oh yeah, I'll do it for love
(All I do it for love)

I would write your name across the sky
So the world could see
What you mean to me
I'd sing songs at the top of my voice
In an empty room just to dance with you
And love you into every morning
I'd leave the world behind
And slow down time

I won't do it for money, I won't do it for pride
I won't do it to please somebody else
If it don't feel right
But I'll do it for you and at least I'll try
I don't need any other reason
If I feel it deep inside
I'll do it for love
Ohh, I'll do it for love

What I do for love can take us anywhere at all
Anywhere, anywhere

I won't do it for money, I won't do it for pride
I won't do it to please somebody else

If it don't feel right
But I'll do it for you and at least I'll try
I don't need any other reason
If I feel it deep inside
I'll do it for love
Oh yeah, I'll do it for love

All I do it for love
All I do it for love
All I do it for love
All I do it for love
All I do it for love
All I do it for love
