Baby, if we can't solve any problems
Why do we loose so many tears?
Oh, so you go again
When the leading man appears

Oh, always the same thing
But can't you see we've got everything
Going on and on and on

And everytime you go away
You take a piece of me with you
And everytime you go away
You take a piece of me with you, you

Go on and go free
Maybe you're too close to see
I can feel your body move
But doesn't that much to me

I can't go on singing the same thing
'Cause you can't see we've got everything, baby
Even though you know

That everytime you go away
You take a piece of me with you, just don't care girl
Everytime you go away
You take a piece of me with you

'Cause you can't see we've got everything, baby
Even though you know

That everytime you go away

Everytime you go away, whoo, ooo, ooo
Everytime you go away
Everytime you go away, whoo, ooo, ooo
Everytime you go away
Everytime you go away, whoo, ooo, ooo
Everytime you go away
