Does anyone know what love can cost
To take you so high then leave you lost
Is it a mystery that runs too deep
For such a simple heart

Can anyone stop the hands of time
And put back the loving in your eyes
Though it's his name I hear
When you are sleeping, I'll pretend it's mine

When they ask me how long I'm gonna love you
If the road to my heart will always stay true
I'll say forever, yeah, I'll say forever for you

When they ask will I stand right there beside you
And they don't see you and me the way that I do
I'll say forever, I'll say forever for you

Do I forever
Do I love you
Do I forever

A rose is a rose by any name
But a thorn will still cut you just the same
I'm losing your love I know, so sad the feeling
I can tell somebody's stealing, stealing away your heart

When they ask me how long I'm gonna love you
If the road to my heart will always stay true
I'll say forever, I'll say forever for you

When they ask will I stand right there beside you
And they don't see you and me the way that I do
I'll say forever, I'll say forever for you

I don't know if I should tell you
How you live in my heart
There's no room for another
If you leave me now
My heart would not recover

Do I forever

Do I love you
Do I forever
Forever for you

When they ask me how long I'm gonna love you
If the road to my heart will always stay true
I'll say forever, I'll say forever for you

When they ask will I stand right there beside you
And they don't see you and me the way that I do
I'll say forever, I'll say forever for you

Do I forever
Do I love you
Always done forever
Do I forever

Do I forever
Do I love you
Do I forever
Forever love you
Darling forever, forever, forever
