Please return or come back, I've been saving your place  
Too much time has elapsed, unreality, memory erases  
And the rules and the rights and the wrongs don't apply far apart  
So together is destiny wedded to fate

Now, I write the scripts, you direct my dreams  
We're lone on the beach for the passionate scenes  
And it's a drag to wake up with you, saying to me

Saying, "Baby, how does it feel to be back?  
How does it feel to be back?  
How does it feel to be back in my arms again?"

Well, I'm bored and alone and it's weakening me  
One night out and I'm looking for trouble and finding it's easy  
Know we all make mistakes and we all need the touch of a hand  
In the right kind of place, in a time of need

I could pick up the phone but the talk ain't cheap  
I pick up on the thoughts that you're sending to me  
And I wait for the day, I hear you saying to me

You say, "Baby, how does it feel to be back?  
How does it feel to be back?  
How does it feel to be back in my arms again?  
How does it feel to be back in my arms again?"

I'm in a dream  
I be saying to me

Saying, "Baby, how does it feel to be back?  
How does it feel to be back?  
How does it feel to be back in my arms again?  
How does it feel to be back in my arms again?  
How does it feel to be back in my arms again?"

How does it feel to be back?  
How does it feel?

How does it feel to be back?  
How does it feel?  
How does it feel to be back?  
How does it feel?  
How does it feel to be back?  
How does it feel?  
How does it feel to be back?  
How does it feel?  
How does it feel to be back?  
How does it feel?  
How does it feel to be back?  
How does it feel?
