You and I have separate lives, girl
You and I go different ways
On roads that cross when love
And loss is ruled by fate

People have a tragic habit
Of lettin' love get in the way
They tend to lose
Their overviews and overplay

There's something that I wanna say
There's something IÃ¢â€Œ™ ve got to do
Feels like youÃ¢â€Œ™ re driftin' away
And I donÃ¢â€Œ™ t wanna lose you

Oh, there's something I wanna say, to say
There's something IÃ¢â€Œ™ ve got to do
Feels like youÃ¢â€Œ™ re driftin' away
And I donÃ¢â€Œ™ t wanna lose you

No, IÃ¢â€Œ™ ll try to find a way to encourage you
ItÃ¢â€Œ™ s easy to convince myself
'Cause I canÃ¢â€Œ™ t believe
YouÃ¢â€Œ™ d wanna be with somebody else

People have a tragic habit
Of lettin' love get in the way
They tend to lose
Their overviews and overplay, oh, they overplay

There's something that I wanna say, to say
There's something IÃ¢â€Œ™ ve got to do
Feels like youÃ¢â€Œ™ re driftin' away
And I donÃ¢â€Œ™ t wanna lose you, oh, I can't take it,
girl

There's something that I wanna say, to say
Something IÃ¢â€Œ™ ve got to do
Because I feel like, I feel like, I feel like, I feel like, I feel
like
I feel like, I feel like youÃ¢â€Œ™ re driftin' away
I feel like youÃ¢â€Œ™ re driftin' away

I don't wanna lose you, girl

I feel like you're driftin' away
And I don't wanna lose you, girl, lose you, lose
you
Feel like, driftin' away
And I don't wanna lose you, girl

Feel like, driftin' girl
And I don't wanna lose you, lose ya, lose ya,
lose ya
Feels like you're driftin' away
And I don't wanna lose you

Feels like you're driftin' away
And I don't wanna lose you
Feels like you're driftin' away
And I don't wanna lose you, girl
