This is our fork in the road, love's last episode
There's nowhere to go, oh no
You made your choice and now it's up to me
To bow out gracefully you know you hold the key
But baby

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around

I thought I knew just what to say, now I've found out
today
When all the words have slipped away, but I know
There's always a chance, a tiny spark remains, yeah
And sparks turn into flames and love can burn once
again
Sure that you know it

Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around, be all 'round

So don't worry
Whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around

Whenever you call me
Whenever you want me
Whenever you need me
Say, I'll be around, be around and around

Whenever you call me
Whenever you want me
Whenever you need me
I'll be around
