Why do I go all to pieces  
When you breezin' by  
My desire makes me shy ,oh  
The words I wanna say to you but baby, I'm afraid to  
'Cause I've been a fool in love  
Over and over again, hey hey

You gotta know I'm in trouble  
And I'm all undone  
Got my heart in your hand, you understand?  
I can't cool down the passion, can't stop the reaction  
So be careful with a fool in love  
Who is over his head again, hey hey

'Cause I'm in pieces, I'm in pieces  
I'm in pieces over you  
(I'm in pieces)  
Pieces, I can't help myself  
(Girl, I can't hold out)  
No, I can't hold out

Got to hold back my obsession  
And I care too much  
But it's hard to pretend once again  
Can't slow down every heartbeat  
No catchin' up on lost sleep  
Gone so far and I'm so deep over my head again, hey  
hey

I'm in pieces, I'm in pieces  
I'm in pieces over you  
(I'm in pieces)  
Pieces, can't help myself  
(I'm in pieces)  
Ooh, baby, baby, baby, baby, baby  
(Girl, I can't hold out)  
No, I can't hold out  
Guess I'll go to pieces now

Ah oh ooh, you shatter my pattern  
You let me see day lite  
I'm taken' up habits

Just to break 'em all over again hey, hey

'Cause I'm in pieces  
I'm in pieces, I'm in pieces over you  
(I'm in pieces)  
Pieces  
(I'm in pieces)  
Can't help myself  
(I'm in pieces yeah)  
I'm in pieces over you  
(I'm in pieces)  
Hey  
(Girl, I can't hold out)  
No I can't hold out baby  
(Guess, I'll go to pieces now)

I'm breaking up, girl  
(Girl, I can't hold out)  
Pieces  
(Guess, I'll go to pieces now)  
Ooh, can't you see I'm in trouble deep  
(Girl, I can't hold out)  
I've fallen before and I'm falling again  
(Guess I'll go to pieces now)  
Pieces now

It's happening so fast you're turning my head  
(I'm in pieces yeah)  
I'm in pieces over you  
(Girl, I can't hold out)  
(Guess I'll go to pieces now)  
Can't you see, I'm breaking up baby  
I'm breaking up baby  
(Guess I'll go to pieces now)

No, I can't hold out  
(I'm in pieces, yeah)  
I'm a fool in love, won't be fool again  
(I'm in pieces)  
It's happening so fast baby you're turning my head  
(I'm in pieces)  
I'm in pieces, pieces over you
