You must be thinkin' somethin'  
But you ain't sayin' nothin'  
You remember me  
I used to be your boyfriend

There ain't no point in reason  
It only gets defensive  
Why should we ruin the purity  
Of the moment

It's a laugh, what a laugh  
It's so stupid, I gotta laugh  
And the funny thing is  
Everyone thought we were forever

It's a laugh, what a laugh  
It's so stupid that I gotta laugh  
And the odd thing is  
I really thought that we were special

Maybe I should feel guilty  
Is that the American way?  
But I just look at myself  
As if I were above me

You must be thinkin' somethin'  
But you ain't sayin' nothin'  
You remember me  
I have been here always

It's a laugh, what a laugh  
It's so stupid, I gotta laugh  
And the funny thing is  
Everyone thought we were forever

It's a laugh, what a laugh  
It's so stupid, I gotta laugh  
And the odd thing is  
I really thought that we were special  
We were forever

It's a laugh, what a laugh

It's so stupid, I gotta laugh  
And the funny thing is  
Everyone thought we were forever

It's a laugh, what a laugh  
It's so stupid, I gotta laugh  
And the odd thing is  
I really thought that we were special

So special, it's a laugh, what a laugh  
It's so stupid, I gotta laugh  
And the odd thing is  
Everyone thought we were forever
