Oh baby, you know you missed the fight  
(he's a trouble maker, he's a trouble man)  
Alligator wrecked the bar last night  
(he's a trouble maker, he's a trouble man)  
I guess he had fun, to some people fun is a drag  
Gathers lady had to hitch a ride  
(she's a trouble lady, to a trouble man)  
She got picked up by some guys in some band  
You'd never believe what they did to a fan  
They found a 'c' on her back, and a lead guitar strap in  
her hand  
"arrive down on n.t.c. in a blue ford van, wanted for the  
connection of the  
Murder of a man"  
Go johnny, do what you want to do  
"hey, hey, blue. i here this johnny's band is red hot"  
"alright let's check him out"  
Go johnny, do what you want to do  
So go, johnny  
"don't you know i'm a man" (go, go, johnny)  
\*1-85 thru' the south land (johnny)  
"and my fingers are cold, but my managers tan, so  
watch out"  
(go, go johnny)  
"on the road in a dangerous van" ( go, go, johnny)  
Watch 'em burn thru the south land  
With my axe in my hand, watch out , for  
\*johnny gore and the 'c' eaters band  
"holy jesus, look at 'gator up there, he's got johnny  
gore on  
Stage by his hair"  
"come on guys, give the gators a hand. i paid two  
dollars  
Just to see this ba, ba, band"  
"and i ain't gonna let no loser, put the screw on the  
show"  
"so give us a hand 'gators crazy you know!"  
Go johnny, do what you want to do  
"hey man, someone throw this dude out of here"  
"don't give a damn about his old lady"  
Go johnny, do what you want to do

So go johnny  
"hey baby, don't you know i'm a man!"  
So go johnny  
\*repeat\*
