I'm a soul surviving  
Love give me all or nothing  
I used to wake in the morning and say  
Can I get through another day

Look around, I see everybody's running  
Trying too hard to make the money  
But we forgot to the taste of honey  
Oh babe, can we lose the confusion

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold on me

Little things can get you down  
Getting caught up in the run around  
Gotta live in the here and now  
Oh babe, gotta lose the confusion

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold on me

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold on me

You can't control your destiny, love laughs at all your  
plans  
Just let your love show what you need, you know I  
understand  
Don't let the weight lay too heavy on you  
You gotta let it go, hold onto that sweet, sweet soul

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold on me

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold on me

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul got a hold on me

Let love take control  
Sweet soul got a hold on me  
Let love take control  
Sweet soul, ooh ooh, let love, ooh ooh, let love
