I'm tired of playing on the team
It seems I don't get time out anymore
What a change if we set the pace face to face
No one even trying to score

And oh oh, I can feel the magic of your touch
And when you move in close a little bit means so much
Ooo yeah, you've got to understand, baby
Time out is what I'm here for

One on one, I wanna play that game tonight
One on one, I know I wanna play that
One on one, I wanna play that game tonight
One on one, so slow

You can't tell me you don't miss me, girl
No I think I might know you too well
I wonder what you'd say if you knew that I was coming
tonight
Want to, I want you can't you tell

One on one, I wanna play that game tonight
One on one, I know I wanna play that
One on one, I wanna play that game tonight
One on one, so slow
That's all you need to know now

'Cause if it's really right, there's nothing else

One on one, I want to play that game tonight
One on one, I want to play that game tonight
One on one, I want to play that game tonight
One on one, I wanna play that game

One on one, on one on one
Girl, there is nothing else but you and me
I don't want no one else, I don't want no one else
Baby, I'm tired of playing, I'm tired of playing

I don't wanna play those games no more, no more
I wanna play with you, girl
I wanna play with you, girl

Just you and me, you and me, you and me
